TF129: Post Modernism -

Making It Up As We Go Part 1

Modernism, post-modernism, relativism, objective truth, subjective truth. In this part one of two, Eric and Brett sort through it all, the good, the bad, and the ugly, and discuss the realities and necessary strategies of evangelizing in a post-modern culture. Are they just making it up as they go along? You decide, this week on Thinking Faith!

Tell Us Your Good News!

"The Spirit of the Lord is upon me, because he has anointed me to bring good news..." Luke 4:18

The Archdiocese of Regina wants to hear your Good News stories. This is an excellent opportunity for you or your parish to highlight those ways that the Good News of Jesus Christ is being proclaimed in word and deed in your community. Particularly we would like to hear about those projects, parish ministries, and community outreach activities of Parishes or individuals that are making a difference in the lives of others. Submissions should be; About activities or events that have or are currently taken place in your local community involving your parish or individual parishioners. Be no longer than 500-800 words

Written for and understandable to a general, Christian audience. Include a good quality picture in JPEG format Submissions should have "**Good News Story**" in the **subject line** and can be sent to communications@archregina.sk.ca

Stewardship Bulletin Bit

"I have now brought you the first fruits of the products of the soil which you, O Lord, have given to me." (Deuteronomy 26:10)

This line from the Old Testament offers two challenges. First, do you give to God from your "first fruits", the best that you have to offer, or do you give from what is leftover? Second, do you recognize that everything you have has been given to you by God? Ask God for a grateful and generous heart, every day, in all circumstances.

39th Annual Nash Lecture: Reconciliation in the Age of Rage

Wed., March 13, 2019 at 7:30 pm at Campion Auditorium

We live in an "age of rage." Shifting social, economic, and religious paradigms seem to lead to deepening rifts and increased tribalism among persons and groups. In the midst of this, the Society of Jesus reaffirms its mission of "the service of faith and the promotion of justice" with a renewed emphasis on the need for reconciliation: reconciliation with God, with other people, and with creation. The lecture is free, open to everyone and there is free parking on the campus in the evening.
